C/CI --

I leave in a few days for two months, and would like to finish the dissemination of the Overt printout before I go. So far, we have provided MI-5 and MI-6 with one set each. You hold a set, I have a set, and a set has been sent to Paul Hartman's group. We thus have 17 sets (roughly 150 volumes) on hand, ready to go. Incidentally, if the set were to arrive in the area of my tdy while I am there, I could provide some guidance if appropriate.
